

## BECOME AN INVESTOR IN CASE

The Council of Administrators of Special Education (CASE) is an international professional educational organization which is affiliated with the Council for Exceptional Children (CEC) whose members are dedicated to the enhancement of the worth, dignity, potential, and uniqueness of each individual in society. Those who receive special education services are individuals who possess basic rights and responsibilities, and who command respect at all times. Special education embraces the right to a free appropriate public education.

The Mission of the Council of Administrators of Special Education, Inc. is to provide leadership and support to members by shaping policies and practices which impact the quality of education.

**CASE** has proven to be an effective influential organization which provides powerful support to its membership. As CASE continues to grow in membership and influence now is the time to consider giving back to CASE by joining an annual investment plan tailored to specific giving levels. CASE has had a Friends of CASE available for Companies to demonstrate their level of support to CASE for several years. Under the direction of the CASE Finance Committee and with the support of the CASE Executive Committee and the CASE Board of Directors, two new programs of investment have been developed for our CASE Units and our individual members. As with the Friends program, each Patron level carries increased benefits for the Unit (Club) and individual (Society). Consider becoming a Patron from July 1<sup>st</sup> – June 30<sup>th</sup>.

You may choose to make a tax deductible gift where help is needed most, or endow the funds to help CASE in the years to come. Whatever the donation, you'll know your support will go far in supporting CASE, today and in the future.

### **For Units - The Patron Clubs: Platinum – Gold – Silver--Copper**

Membership in one of The Clubs shows confidence in CASE, and your Unit generosity will benefit future CASE members. Membership in one of the clubs will help CASE extend its support to even more Units.

### **For Individuals – The Patron Blue Ribbon Elite Society:**

The **CASE Administrators Elite Society** is an elite giving society that ensures opportunities for current and future CASE Administrators. You can help strengthen CASE in many ways, including supporting one or more of our strategic initiatives, establishing new scholarships, and/or providing unit support. Your generous gift will provide support to forward our mission and help us in continuing the growth of our membership. Please consider giving a tax-deductible gift as a tribute or memorial to someone special in your life.

### **For Corporations– Friends of CASE: Platinum – Gold – Silver**

Becoming a FRIEND of CASE shows confidence in CASE, and an acknowledgement of the benefits of having a professional association whose members are the consumers of the corporations' products. The generosity of the corporation will in effect mutually benefit the membership, the organization, and the corporation.

**CASE is a 501 (c) 3 Non Profit organization**
